Operational Arrangement (OA)

- Establish cooperation mechanism COM / MS on the implementation of the RRP
- **Body:** notably frequency of meetings (in principle quarterly), arrangements for access to data
- **Annex I:** 'Verification mechanism' for the Milestones & Targets (M&Ts) set in the Council Implementing Decision
- **Annex II:** further specifies the arrangements for monitoring progress towards the fulfilment of the M&Ts in particular through interim targets and interim steps

Reporting by Member States

- Stocktaking meetings
- Payment requests: completion of M&Ts
- Reporting twice a year on the progress made in the achievement of the RRP
- Reporting integrated with the European Semester, in particular with the National Reform Programme

A proper implementation of the RRP is crucial...

... for ensuring completion of milestones and targets contained in the plans (as a basis for requesting RRF payments)

... for ensuring long-lasting deep structural transformation

→ **Enhanced policy dialogues**

→ **EC Support Instruments**

- Support for the design, implementation and evaluation of R&I reforms is available via the [Horizon Europe Policy Support Facility](#).
- DG REFORM's Technical Support Instrument may also provide assistance in relation to R&I reforms.
