## Civil Society and Research Forum for European Missions (21 March 2022)

BOOTHS		
Responsable		Title
1	Université Paris Est Créteil	Student Citizens' Convention for the Ecological Transition
2	Fondation Tara Océan	Ocean lab. Observing the invisible people of the ocean! Plastic at sea, the solutions are on land!
3	NetZeroCities	NetZeroCities
3	Association Française pour l'Etude du sol (AFES) & INRAE	Let's mobilise around soils, non-renewable resources! (AFES) Participatory sciences and soils: structuring the French community (INRAE)
5	OCÉANOPOLIS	ARCTIC 2100
6	Association La Fresque du Climat	The Climate Fresco
7	European Network of Living Labs - ENoLL	Empowering citizens and innovation through the Living Lab approach
8	Muséum national d'Histoire naturelle	Participatory science at the Museum: a partnership between citizens and researchers at the heart of society's issues
9	OPERAS AISBL	How to engage citizens in science: concrete actions by the European Research Infrastructure OPERAS
10	Toulouse	Citizens' workshops and ecology by neighbourhood
11	Res Publica	<i>Phoenix for Green Deal. The Rise of Citizens Voices for a Greener Europe / Phoenix pour le Green Deal. La montée de la voix citoyenne pour une Europe plus verte</i>
12	Open Source Politics	The participatory platform of the Conference on the Future of Europe
13	Grenoble INP – UGA	<i>Initiative European Universities Community</i>
14	CNAJEP	Engaging Together for a Green and Sustainable Europe
15	Association des Conseils en Innovation	#jesuisEUcolo
16	L'Arbre des Connaissances	Fostering the engagement of scientists and young people in science-society relations
17	SIRIC BRIO / ASPERON & Co	<i>Delivering the promise of patient involvement in cancer research</i>

**10 « side events » will also be organised in the afternoon (program available on the website of the conference)**
