1. Nature of the tasks

The Seconded National Expert will contribute to the work of the Circular Economy and Bio-based Systems unit in Directorate-General for Research and Innovation. The main task of the unit is to develop programming documents (e.g. Strategic Plan and bi-annual Work Programmes) for the Horizon Europe programme for research and innovation. The unit also actively contributes to the development of policies in the field of Circular Economy and Bioeconomy.

The Seconded National Expert will analyse the barriers and gaps in the process of transition to circular economy and identify research and innovation needs to address these barriers and gaps. This requires good understanding of the policy in this field, situation in EU economy, markets, technological and other factors influencing the transition process. The expert will identify R&I actions and propose R&I topics that will be, after consultation with stakeholders, included in the Horizon Europe Work Programmes.

The Seconded National Expert will also perform different kinds of policy analyses with the objective to contribute to policy initiatives of the European Commission. This may include participation in various thematic Interservice Groups, contributing to Impact Assessments for new initiatives, providing drafting suggestions for communication and legislative proposals. The tasks may include also an analysis of portfolio of past or ongoing research projects funded by EU instruments, and extract policy relevant information and recommendations.

In the course of his/her work the Seconded National Expert will collaborate with colleagues in his/her unit and in other units of Directorate-General for Research and Innovation as well as other relevant Commission services, with the agencies implementing Horizon Europe, the European Environment Agency, the European

¹ These mentions are given on an indicative basis only (Art.4 of the SNE Decision).

Investment Bank, and with international organizations such as UNEP and OECD. The expert will interact also with industrial stakeholders, e.g. sectoral industrial associations, and civil society organisations.

2. **Main qualifications**

a) **Eligibility criteria**

The following eligibility criteria must be fulfilled by the candidate in order to be seconded to the Commission. Consequently, the candidate who does not fulfil all of these criteria will be automatically eliminated from the selection process.

- **Professional experience**: at least three years of professional experience in administrative, legal, scientific, technical, advisory or supervisory functions which are equivalent to those of function group AD;
- **Seniority**: candidates must have at least one year seniority with their employer, that means having worked for an eligible employer as described in Art. 1 of the SNE decision on a permanent or contract basis for at least one year before the secondment;
- **Linguistic skills**: thorough knowledge of one of the EU languages and a satisfactory knowledge of another EU language to the extent necessary for the performance of the duties. SNE from a third country must produce evidence of a thorough knowledge of one EU language necessary for the performance of his duties.

b) **Selection criteria**

Diploma

- university degree or
- professional training or professional experience of an equivalent level

in the field(s) : natural sciences, environmental science, engineering, economics, business management, political science, public administration or law.

Professional experience

At least one of the following, preferably in the field of circular economy, sustainable production and consumption, waste management or industrial policy:

- Policy analysis and formulation;
- Planning, organisation and implementation of complex public policy initiatives and instruments;
- Research and innovation planning, funding and evaluation;
- Communication with industrial and civil society stakeholders.

Language(s) necessary for the performance of duties

English.

3. **Submission of applications and selection procedure**

Candidates should send their application according to the **Europass CV format** (<http://europass.cedefop.europa.eu/en/documents/curriculum-vitae>) in English, French or German **only to the Permanent Representation / Diplomatic Mission to the EU of their country**, which will forward it to the competent services of the Commission within the deadline fixed by the latter. The CV must mention the date of birth and the nationality of the candidate. **Not respecting this procedure or deadlines will automatically invalidate the application.**

Candidates are asked not to add any other documents (such as copy of passport, copy of degrees or certificate of professional experience, etc.). If necessary, these will be requested at a later stage.

Candidates will be informed of the follow-up of their application by the unit concerned.

4. Conditions of the secondment

The secondment will be governed by the **Commission Decision C(2008)6866 of 12/11/2008** laying down rules on the secondment to the Commission of national experts and national experts in professional training (SNE Decision).

The SNE will remain employed and remunerated by his/her employer during the secondment. He/she will equally remain covered by the national social security system.

Unless for cost-free SNE, allowances may be granted by the Commission to SNE fulfilling the conditions provided for in Art. 17 of the SNE decision.

During the secondment, SNE are subject to confidentiality, loyalty and absence of conflict of interest obligations, as provided for in Art. 6 and 7 of the SNE Decision.

If any document is inexact, incomplete or missing, the application may be cancelled.

Staff posted in a **European Union Delegation** are required to have a security clearance (up to SECRET UE/EU SECRET level according to Commission Decision (EU, Euratom) 2015/444 of 13 March 2015, OJ L 72, 17.03.2015, p. 53).

The selected candidate has the obligation to launch the vetting procedure before getting the secondment confirmation.

5. Processing of personal data

The selection, secondment and termination of the secondment of a national expert requires the Commission (the competent services of DG HR, DG BUDG, PMO and the DG concerned) to process personal data concerning the person to be seconded, under the responsibility of the Head of Unit of DG HR.B.1. The data processing is subject to the SNE Decision as well as the Regulation (EU) 2018/1725.

Data is kept by the competent services for 7 years after the secondment (2 years for not selected experts).

You have specific rights as a 'data subject' under Chapter III (Articles 14-25) of Regulation (EU) 2018/1725, in particular the right to access, rectify or erase your personal data and the right to restrict the processing of your personal data. Where applicable, you also have the right to object to the processing or the right to data portability.

You can exercise your rights by contacting the Data Controller, or in case of conflict the Data Protection Officer. If necessary, you can also address the European Data Protection Supervisor. Their contact information is given below.

Contact information

- The Data Controller

If you would like to exercise your rights under Regulation (EU) 2018/1725, or if you have comments, questions or concerns, or if you would like to submit a complaint regarding the collection and use of your personal data, please feel free to contact the Data Controller, Unit HR.B.1, HR-B1-DPR@ec.europa.eu.

- The Data Protection Officer (DPO) of the Commission

You may contact the Data Protection Officer (DATA-PROTECTION-OFFICER@ec.europa.eu) with regard to issues related to the processing of your personal data under Regulation (EU) 2018/1725.

- The European Data Protection Supervisor (EDPS)

You have the right to have recourse (i.e. you can lodge a complaint) to the European Data Protection Supervisor (edps@edps.europa.eu) if you consider that your rights under Regulation (EU) 2018/1725 have been infringed as a result of the processing of your personal data by the Data Controller.

To the attention of candidates from third countries: your personal data can be used for security checks.
