Subject: Proposal for a Regulation of the European Parliament and of the Council
amending Regulation (EC) No 294/2008 establishing the European Institute of
Innovation and Technology
- Partial general approach

I. INTRODUCTION

1. On 30 November 2011, the Commission submitted to the European Parliament and to the Council its proposal for a Regulation of the European Parliament and the Council amending Regulation (EC) No 294/2008 establishing the European Institute of Innovation and Technology.
2. For the period 2014-2020 the EIT will be an integral part of Horizon 2020 and implemented in accordance with its rules for participation and dissemination. Therefore an amendment to the existing Regulation is needed to align EIT within Horizon 2020.

3. Since the proposed Regulation is one of the Horizon 2020 proposals linked to the Multiannual Financial Framework (MFF), the provision on the budget appropriation in Article 19 - indicated in square brackets - has been excluded from the partial general approach aimed for, pending further progress on the MFF.
4. The European Parliament's Committee on Industry, Research and Energy (ITRE) appointed Mr Philippe Lamberts (Greens) as Rapporteur on this proposal. ITRE Committee is expected to vote on its amendments to the Commission proposal in November 2012.
5. The European Economic and Social Committee adopted and delivered its opinion on 28 March 2012¹.
6. The Committee of the Regions has decided not to issue an opinion².

II. WORK WITHIN THE COUNCIL

1. Following extensive work since January within the Council Research Working Party (RECH WP) resulting to some amendments to the initial proposal, the Permanent Representatives Committee on 28 September 2012 confirmed the consensus on the Presidency compromise text included in this note. The recitals have not been discussed, but will be examined at a later stage.
2. It should be noted that the Commission has entered a general reservation on the whole text, pending the opinion of the European Parliament and progress on the MFF.

¹ CESE 807/2012

² It may be noted that CdR has adopted and delivered its Opinion on the Horizon 2020 package on 19 July 2012 .
(CdR 402/2011 fin).

III. CONCLUSION

In the light of the above, the Council is invited to consider the compromise proposal presented by the Presidency with a view to reaching a partial general approach.

Explanation:

The changes proposed by the Commission in comparison to the Regulation (EC) No 294/2008 are indicated in ~~Strikethrough~~ and **Bold**.

The changes compared to the Commission proposal are in ~~strikethrough~~ and underlined.

CONSOLIDATED VERSION OF

**Regulation (EC) No 294/2008 of the European Parliament and of the Council
of 11 March 2008**

establishing the European Institute of Innovation and Technology

AND

**Proposal for a Regulation of the European Parliament and of the Council amending Regulation
(EC) No 294/2008 establishing the European Institute of Innovation and Technology**

*Whereas: (Proposal for a Regulation of the European Parliament and of the Council amending
Regulation (EC) No 294/2008)*

- (1) The Europe 2020 strategy for smart, sustainable and inclusive growth assigns a prominent role to the European Institute of Innovation and Technology (hereinafter referred to as the EIT) which contributes to a number of flagship initiatives.*
- (2) During the period 2014-2020 the EIT should contribute to "Horizon2020 - The Framework Programme for Research and Innovation" established by Regulation No XX/XXXX of the European Parliament and of the Council (hereinafter referred to as 'Horizon 2020') objectives by integrating the knowledge triangle of research, innovation and education.*

- (3) *In order to ensure a coherent framework for participants in Horizon 2020, the Regulation No XX/XXXX of the European Parliament and of the Council laying down the rules for the participation and dissemination in 'Horizon 2020' – the Framework Programme for Research and Innovation (2014-2020) (hereinafter referred to as 'Rules for Participation') should apply to the EIT.***
- (4) *The rules concerning the management of intellectual property rights are defined in the Rules for Participation.***
- (5) *The rules concerning participating states and third countries are defined in Horizon 2020 Regulation.***
- (6) *The EIT should directly engage with national and regional representatives and other stakeholders from across the innovation chain, generating beneficial effects on both sides. In order to render such dialogue and exchange more systematic, an EIT Stakeholder Forum should be organised, bringing together the wider community of stakeholders around crosscutting issues.***
- (7) *The scope of the EIT contribution to the Knowledge and Innovation Communities (hereinafter referred to as KICs) should be defined and the origins of KICs' financial resources clarified.***
- (8) *The composition of the EIT bodies should be simplified. The functioning of the EIT Governing Board should be streamlined and the respective roles and tasks of the Governing Board and the Director should be further clarified.***
- (9) *New KICs, including their priority fields and the organisation and timing of the selection process, should be launched on the basis of modalities defined in the Strategic Innovation Agenda.***

- (10) The KICs should broaden their educational activities, by providing professional training courses.*
- (11) Cooperation on the organisation the monitoring and evaluations of the KICs between the Commission and the EIT is required to ensure coherence with overall EU level monitoring and evaluation system.*
- (12) The KICs should seek synergies with relevant European Union initiatives.*
- (13) In order to assure broader participation of organizations from different Members States in the KICs, the partner organizations should be established in at least three different Member States.*
- (14) The criteria and procedures for the financing, monitoring and evaluation of the activities of the KICs should be adopted by the EIT prior to launching the KIC selection process.*
- (15) The EIT Triennial Work Programme should take into account the Commission's opinion concerning the EIT's specific objectives, as defined in Horizon 2020, and its complementarities with European Union policies and instruments.*
- (16) The EIT, being under Horizon 2020, will be part of the mainstreaming of climate change expenditures as defined in Horizon 2020.*
- (17) The evaluation of the EIT should provide timely input to the evaluation of Horizon 2020 in 2017 and 2023.*
- (18) The Commission should strengthen its role in monitoring the implementation of specific aspects of EIT activities.*

- (19) This Regulation lays down, for the period 2014 to 2020, a financial envelope constituting the prime reference, within the meaning of point [17] of the Inter-institutional Agreement of XX/YY/201Z between the European Parliament, the Council and the Commission on cooperation in budgetary matters and on sound financial management, for the budgetary authority during the annual budgetary procedure. The financial contribution for the EIT should be provided from Horizon 2020.*
- (20) Although initially foreseen, the EIT Foundation will not receive a direct contribution from the EU budget, the EU discharge procedure should not apply to it.*
- (21) For reasons of clarity the Annex to Regulation (EC) No 294/2008 should be replaced by a new Annex.*
- (22) Regulation (EC) No 294/2008 should therefore be amended accordingly.*

HAVE ADOPTED THIS REGULATION:

Article 1

Regulation (EC) No 294/2008 is amended as follows:

- (d) the dissemination of best practices in the innovation sector with a focus on the development of cooperation between higher education, research and business, including the service and financial sectors.
2. KICs shall have substantial overall autonomy to define their internal organisation and composition, as well as their precise agenda and working methods. In particular, KICs shall aim to be open to new members whenever these members add value to the partnership.
3. The relationship between the EIT and each KIC shall be based on a contractual agreement.

Article 7

Selection of KICs

1. A partnership shall be selected and designated by the EIT to become a KIC on the basis of a competitive, open and transparent procedure. Detailed criteria for the selection of the KICs, based on the principles of excellence and innovation relevance, shall be adopted and published by the EIT; external and independent experts shall be involved in the selection process.
- 1a. The EIT shall launch the selection and designation of KICs according to the priority fields and time schedule defined in the SIA.**

2. In accordance with the principles enshrined in paragraph 1, the selection of a KIC shall take particular account of:
- (a) the current and potential innovation capacity within the partnership as well as its excellence in higher education, research and innovation;
 - (b) the partnership's capacity to achieve the goals of the SIA;
 - (c) the partnership's capacity to ensure sustainable and long-term self-supporting financing including a substantial and increasing contribution from the private sector, industry and services;
 - (d) the participation in the partnership of organisations active in the knowledge triangle of higher education, research and innovation;
 - (e) the demonstration of a plan for the management of intellectual property appropriate to the sector concerned ~~and consistent with the EIT principles and guidelines for the management of intellectual property~~, including the way in which contributions from the various partner organisations have been taken into account;
 - (f) measures to support the involvement of and cooperation with the private sector, including the financial sector and in particular SMEs, as well as the creation of start-ups, spin-offs and SMEs, in view of the commercial exploitation of the results of the activities of KICs;
 - (g) readiness to interact with other organisations and networks outside the KIC with the aim of sharing good practices and excellence.
 - (h) readiness to establish concrete proposals for synergies with other European Union initiatives.**

~~3.— The minimum condition to form a KIC is the participation of at least three partner organisations, established in at least two different Member States. All these partner organisations must be independent of each other, within the meaning of Article 6 of Regulation (EC) No 1906/2006 of the European Parliament and of the Council of 18 December 2006 laying down the rules for the participation of undertakings, research centres and universities in actions under the Seventh Framework Programme and for the dissemination of research results (2007–2013).~~

3. The minimum condition to form a KIC is the participation of at least three partner organisations, established in at least three different Member States. All these partner organisations must be independent of each other, within the meaning of Article 7 of Rules for Participation.

~~4.— A KIC may include partner organisations from third countries, subject to the approval of the Governing Board. The majority of the partner organisations forming a KIC shall be established in the Member States. At least one higher education institution and one private company shall be part of each KIC.~~

4. The majority of the partner organisations forming a KIC shall be established in the Member States. At least one higher education institution and one private company shall be part of each KIC.

5. The EIT shall adopt criteria and procedures for the financing, monitoring and evaluating of the activities of the KICs prior to the launching of the selection procedure for new KICs. The special configuration of Member States' representatives within the Stakeholder Forum shall be promptly informed about them.

Article 7a

Principles for the evaluation and monitoring of KICs

The EIT, shall on the basis of key performance indicators set out in the Regulation (EU) No XX/XX of the European Parliament and of the Council [Horizon 2020] and in cooperation with the Commission, organise continuous monitoring and periodic external evaluations of the outputs, results and impact of each KIC. The results of these monitoring and evaluation measures shall be reported to the Council and to the European Parliament.

Article 7b

Duration, continuation and termination of a KIC

- 1. Subject to the outcomes of periodic evaluations and to the specificities of particular fields, a KIC shall normally have a time-frame of seven to fifteen years.**
- 2. The Governing Board may decide to extend the operation of a KIC beyond the period initially set within the limits of the financial envelope referred to in Article 19, if this is the most appropriate way to achieve the objectives of the EIT.**
- 3. In the event that evaluations of a KIC show inadequate results, the Governing Board shall take appropriate measures including reduction, modification or withdrawal of its financial support or termination of the agreement.**

Article 8
Degrees and diplomas

1. Degrees and diplomas relating to the higher education activities referred to in Article 6(1)(c) shall be awarded by participating higher education institutions in accordance with national rules and accreditation procedures. The agreement between the EIT and the KICs shall provide that these degrees and diplomas may also be labelled EIT degrees and diplomas.
2. The EIT shall encourage participating higher education institutions to:
 - (a) award joint or multiple degrees and diplomas, reflecting the integrated nature of the KICs. However, these may also be awarded by a single higher education institution;
 - (b) take into account:
 - (i) Community action undertaken in accordance with Articles 149 and 150 of the Treaty;
 - (ii) action undertaken in the context of the European Higher Education Area.

Article 9

Independence of the EIT and consistency with Community, Member State or intergovernmental action

1. The EIT shall carry out its activities independently of national authorities and external pressures.
2. The activity of the EIT shall be consistent with other action and instruments to be implemented at Community level, in particular in the fields of higher education, research and innovation.
3. The EIT shall also take appropriate account of policies and initiatives at regional, national and intergovernmental levels in order to make use of best practices, well established concepts and existing resources.

Article 10

Management of intellectual property

- ~~1. The EIT shall adopt guidelines for the management of intellectual property based on, inter alia, Regulation (EC) No 1906/2006.~~
- ~~2. On the basis of these guidelines, the partner organisations of each KIC shall conclude among themselves an agreement on the management and use of intellectual property which shall define, in particular, how the contributions of the various partner organisations, including SMEs, will be taken into account.~~

Article 11

Legal status

1. The EIT shall be a Community body and shall have legal personality. In each of the Member States, it shall enjoy the widest possible legal capacity accorded to legal persons under national legislation. In particular, it may acquire or dispose of movable and immovable property and be a party to legal proceedings.
2. The Protocol on the Privileges and Immunities of the European Communities shall apply to the EIT.

Article 12

Liability

1. The EIT shall be solely responsible for meeting its obligations.
2. The contractual liability of the EIT shall be governed by the relevant contractual provisions and the law applicable to the contract in question. The Court of Justice shall have jurisdiction pursuant to any arbitration clause contained in a contract concluded by the EIT.

3. In the case of non-contractual liability, the EIT shall, in accordance with the general principles common to the laws of the Member States, make good any damage caused by it or its servants in the performance of their duties. The Court of Justice shall have jurisdiction in any dispute relating to compensation for such damage.
4. Any payment by the EIT for covering the liability referred to in paragraphs 2 and 3 and the costs and expenses incurred in connection therewith shall be considered expenditure of the EIT and shall be covered by the resources of the EIT.
5. The Court of Justice shall have jurisdiction in actions brought against the EIT under the conditions provided for in Articles 230 and 232 of the Treaty.

Article 13

Transparency and access to documents

1. The EIT shall ensure that its activities are conducted with a high level of transparency. In particular, the EIT shall set up an accessible, free website providing information about the activities of the EIT and individual KICs.
2. The EIT shall make public its rules of procedure, its specific financial rules referred to in Article 21(1) and the detailed criteria for the selection of the KICs referred to in Article 7 before the first call of proposals for the selection of the first KICs.
3. The EIT shall make public without delay its rolling triennial work programme and annual activity report referred to in Article 15.
4. Without prejudice to paragraphs 5 and 6, the EIT shall not divulge to third parties confidential information it has received for which confidential treatment has been requested and is justified.

5. The members of the EIT bodies shall be subject to the confidentiality requirement referred to in Article 287 of the Treaty.

The information gathered by the EIT in accordance with this Regulation shall be subject to Regulation (EC) No 45/2001 of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data.

6. Regulation (EC) No 1049/2001 of the European Parliament and of the Council of 30 May 2001 regarding public access to European Parliament, Council and Commission documents shall apply to the documents held by the EIT. The Governing Board shall adopt practical arrangements for applying that Regulation no later than six months after the EIT has been set up.
7. Official documents and publications of the EIT shall be translated in accordance with the Regulation No 1 of 15 April 1958 determining the languages to be used by the European Economic Community. The required translation services shall be provided by the Translation Centre for bodies of the European Union, set up by Council Regulation (EC) No 2965/1994.

Article 14

Financial resources

1. The EIT shall be financed through a contribution from the general budget of the European Union within the financial envelope as set out in Article 19 and other private and public sources.
- ~~2. The KICs shall be financed, in particular, from the following sources:~~
 - ~~(a) contributions from companies or private organisations, forming a substantial source of funding;~~
 - ~~(b) contributions from the general budget of the European Union;~~

- ~~(c) statutory or voluntary contributions from participating States, third countries or public authorities within them;~~
- ~~(d) bequests, donations and contributions from individuals, institutions, foundations or any other national bodies;~~

3. The modalities for accessing funding from the EIT shall be defined in the financial rules of the EIT referred to in Article 21(1).
- ~~4. The contribution from the general budget of the European Union to the establishment, administrative and coordination costs of the KICs shall be provided from the financial envelope as set out in Article 19.~~
4. **The EIT contribution may cover, up to 100% of total eligible costs of KIC added value activities.**
5. The KICs or their partner organisations may apply for Community assistance, in particular in the framework of Community programmes and funds, in accordance with their respective rules and on an equal footing with other applications. In that case, such assistance shall not be attributed for activities already funded through the general budget of the European Union.

Article 15
Programming and reporting

The EIT shall adopt:

- (a) ~~a rolling triennial work programme, based on the SIA, once it is adopted, containing a statement of its major priorities and planned initiatives, including an estimate of financing needs and sources. The work programme shall be transmitted by the EIT to the European Parliament, the Council, the Commission, the European Economic and Social Committee and the Committee for the Regions for information;~~

- (b) ~~an annual report by 30 June each year. The report shall outline the activities conducted by the EIT during the preceding calendar year and assess the results with respect to the objectives and timetable set, the risks associated with the activities carried out, the use of resources and the general operation of the EIT.~~

Article 15
Programming and reporting

The EIT shall adopt:

- (a) a rolling triennial work programme, based on the SIA, once it is adopted, containing a statement of the major priorities and planned initiatives of the EIT and the KICs, including an estimate of financing needs and sources. It shall also contain appropriate indicators for monitoring the KICs and EIT activities. The preliminary rolling triennial work programme shall be submitted by the EIT to the Commission by 31 December each N-2. The Commission shall deliver an opinion within three months with regard to EIT specific objectives as defined in Horizon 2020 and its complementarities with Union policies and instruments. The EIT shall take a due account of the Commission opinion, and in case of disagreement justify its position. The final work programme shall be transmitted by the EIT to the European Parliament, the Council, the Commission, the European Economic and Social Committee and the Committee of the Regions for information;
- (b) an annual report by 30 June each year. The report shall outline the activities conducted by the EIT and the KICs during the preceding calendar year and assess the results with respect to the objectives, indicators and timetable set, the risks associated with the activities carried out, the use of resources and the general operation of the EIT. The EIT shall transmit the annual report to the European Parliament and the Council and inform them at least once a year about the activities of the EIT, its contribution to Horizon 2020 and to the Union innovation, research and education policies and objectives.

Article 16

Monitoring and evaluation of the EIT

1. The EIT shall ensure that its activities, including those managed through KICs, shall be subject to continuous and systematic monitoring and periodic independent evaluation, to ensure both the highest quality of outcome, scientific excellence and the most efficient use of resources. The outcomes of the evaluations shall be made public.
2. By June 2011 and every ~~five~~ **three** years after the entry into force of a new financial framework, the Commission shall provide for an evaluation of the EIT. This shall be based on an independent external evaluation and shall examine how the EIT fulfils its mission. It shall cover all activities of the EIT and the KICs and shall assess the added value of the EIT, the impact, effectiveness, sustainability, efficiency and relevance of the activities pursued and their relationship and/or complementarity with existing national and Community policies, to support higher education, research and innovation. It shall take into account the views of stakeholders, at both European and national level.
 - 2a. **The Commission may carry out further evaluations on themes or topics of strategic relevance, with the assistance of independent experts, to examine the progress made by the EIT towards the objectives set, identify the factors contributing to the implementation of the activities and identify good practices. In pursuing such interventions, the Commission shall fully consider the administrative impact on the EIT and the KICs.**
3. The Commission shall forward the results of the evaluation, together with its own opinion and, where appropriate, any proposals to amend this Regulation, to the European Parliament, the Council, the European Economic and Social Committee and the Committee of the Regions. The Governing Board shall take due account of the findings of evaluations in the programmes and operations of the EIT.

Article 17

SIA

1. By 30 June 2011 at the latest and every seven years thereafter, the EIT shall prepare a seven-year draft SIA and submit it to the Commission.
2. The SIA shall define long-term priority fields for the EIT and shall include an assessment of its socioeconomic impact and its capacity to generate the best innovation added-value. The SIA shall take into account the results of the monitoring and evaluation of the EIT as referred to in Article 16.
- 2a. The SIA shall include an analysis of potential and appropriate synergies and complementarities between EIT activities and other Union initiatives, instruments and programmes.**
3. The SIA shall include an estimate of financial needs and sources in view of the future operation, long-term development and funding of the EIT. It shall also contain an indicative financial plan covering the period of the financial framework.
4. Acting on a proposal from the Commission, the SIA shall be adopted by the European Parliament and the Council in accordance with Article 157(3) of the Treaty.

Article 18
Initial phase

1. Within 12 months after its creation, the Governing Board shall submit the draft of the first rolling triennial work programme, referred to in Article 15(a), to the European Parliament, the Council and the Commission. The European Parliament, the Council and the Commission may each address an opinion to the Governing Board on any subject covered in draft within three months of the day on which they received it. Where such opinions are addressed to it, the Governing Board shall reply within a period of three months, indicating any adjustments in the priorities and planned activities.
2. Within a period of 18 months from the date of creation of the Governing Board, the EIT shall select and designate two or three KICs in accordance with the criteria and procedures set out in Article 7.
3. The Commission shall submit the proposal for the first SIA, on the basis of the draft provided by the EIT, to the European Parliament and the Council before the end of 2011.

In addition to the content of a SIA in accordance with Article 17, the first SIA shall include:

- (a) detailed specifications and terms of reference concerning the operation of the EIT;
 - (b) the modalities for cooperation between the Governing Board and the KICs;
 - (c) modalities of the funding of the KICs.
4. After the adoption of the first SIA in accordance with Article 17(4), the Governing Board may select and designate additional KICs pursuant to the provisions of Articles 6 and 7.

1. The expenditure of the EIT shall include the staff, administrative, infrastructure and operational expenses. Administrative expenditure shall be kept to a minimum.
2. The financial year shall correspond to the calendar year.
3. The Director shall draw up an estimate of the revenue and expenditure of the EIT for the following financial year and shall forward it to the Governing Board.
4. Revenue and expenditure shall be in balance.

- ~~5. The Governing Board shall adopt the draft estimate, accompanied by a draft establishment plan, and the preliminary rolling triennial work programme and forward them by 31 March to the Commission.~~
- 5. The Governing Board shall adopt the draft estimate, accompanied by a draft establishment plan and the preliminary rolling triennial work programme and forward them by 31 December N-2 to the Commission.**
- ~~6. On the basis of the estimate, the Commission shall enter in the preliminary draft general budget of the European Union the estimates it deems necessary for the amount of the subsidy to be charged to the general budget.~~
- 6. On the basis of the estimate, the Commission shall enter in the draft general budget of the European Union the estimates it deems necessary for the amount of the subsidy to be charged to the general budget.**
7. The budgetary authority shall authorise the appropriations for the subsidy to the EIT.
8. The Governing Board shall adopt the EIT budget, which shall become final following the final adoption of the general budget of the European Union. Where appropriate, it shall be adjusted accordingly.
9. The Governing Board shall, as soon as possible, notify the budgetary authority of its intention to implement any project which may have significant financial implications for the funding of the EIT budget, in particular any projects relating to property such as the rental or purchase of buildings. It shall inform the Commission thereof.
10. Any substantial modification of the budget shall follow the same procedure.

Article 21

Implementation and control of the budget

1. The EIT shall adopt its financial rules in accordance with Article 185(1) of Regulation (EC, Euratom) No 1605/2002. These may not depart from Regulation (EC, Euratom) No 2343/2002 except where the EIT's specific operating needs so require and with the Commission's prior consent. Due account shall be given to the need for adequate operational flexibility in order to enable the EIT to achieve its objectives and attract and retain private sector partners.
 - 1a. **The financial contribution to the EIT, shall be implemented in accordance with the Regulation of the European Parliament and of the Council establishing Horizon 2020 and with the Regulation of the European Parliament and of the Council laying down the rules for the participation and dissemination in Horizon 2020.**
2. The Director shall implement the budget of the EIT.
3. The accounts of the EIT shall be consolidated with the Commission's accounts.
- ~~4. Upon a recommendation from the Council, the European Parliament shall, before 30 April of the year $n + 2$, give a discharge for the year n to the Director in respect of the implementation of the EIT budget and to the Governing Board in respect to the EIT Foundation.~~

2. The EIT shall accede to the Interinstitutional Agreement of 25 May 1999 between the European Parliament, the Council of the European Union and the Commission of the European Communities concerning internal investigations by the European Anti-fraud Office (OLAF). The Governing Board shall formalise this accession and adopt the necessary measures to help OLAF carry out internal investigations.
3. All decisions adopted and contracts concluded by the EIT shall provide explicitly that OLAF and the Court of Auditors may carry out on-the-spot inspections of the documents of all contractors and sub-contractors which have received Community funds, including at the premises of the final beneficiaries.
4. ~~The provisions set out in paragraphs 1, 2 and 3 shall apply, mutatis mutandis, to the EIT Foundation.~~

Article 22a

Winding up of the EIT

In the event of winding up of the EIT, its liquidation shall intervene under the supervision of the Commission in conformity with the laws applicable. The agreements with the KICs and the act establishing the EIT Foundation shall lay down the appropriate provisions in such situation.

Done at Brussels,

~~Statutes of the European Institute of Innovation and Technology~~

~~Article 1~~

~~Composition of the Governing Board~~

- ~~1. The Governing Board shall consist both of appointed members providing a balance between those with experience in business, higher education and research (hereinafter referred to as appointed members) and members elected by and from among the higher education, research and innovation, technical and administrative staff, students and doctoral candidates of the European Institute of Innovation and Technology (EIT) and the Knowledge and Innovation Communities (KICs) (hereinafter referred to as representative members).~~

~~As a transitional provision, the initial Governing Board shall consist exclusively of appointed members until elections for representative members can be held, after the first KIC has been established.~~

- ~~2. There shall be 18 appointed members. They shall have a six-year non-renewable term of office. They shall be appointed by the Commission, in accordance with a transparent procedure. The Commission shall inform the European Parliament and the Council about the selection process and the final appointment of those members of the Governing Board.~~

~~The appointed members of the initial Governing Board shall be appointed on the basis of a list of potential candidates proposed by an ad-hoc Identification Committee, which shall be composed of four independent high level experts appointed by the Commission. The subsequent appointed members shall be appointed on the basis of a list of potential candidates proposed by the Governing Board.~~

~~3.— The Commission shall have regard to the balance between higher education, research, innovation and business experience as well as to gender balance and an appreciation of the higher education, research and innovation environments across the Union.~~

~~4.— One third of the appointed members shall be replaced every two years. An appointed member who has served for a period of less than four years shall be eligible for reappointment, subject to an overall limit of six years in office.~~

~~During a transitional period, 12 appointed members of the initial Governing Board shall be chosen by lot to serve for a four year term of office. At the end of the initial four year period, six of the 12 newly appointed members shall be chosen by lot to serve for a four year term of office. The Chairperson of the Governing Board is not part of this transitional process.~~

~~5.— There shall be four representative members. They shall have a three year term of office, renewable once. Their term of office shall cease if they leave the EIT or a KIC. They shall be replaced through the same election process for the remainder of the term of office.~~

~~6.— The conditions and modalities for election and replacement of the representative members shall be approved by the Governing Board on the basis of a proposal from the Director before the first KIC is in operation. This mechanism shall ensure an appropriate representation of the diversity and shall take into account the evolution of the EIT and the KICs.~~

~~7.— In the event that a member of the Governing Board is unable to complete his term of office, a substitute member shall be appointed or elected by the same procedure as the incapacitated member in order to complete the latter's term of office.~~

Statutes of the European Institute of Innovation and Technology

Section 1

Composition of the Governing Board

- 1. The Governing Board shall consist both of appointed and representative members.**
- 2. There shall be 12 appointed members, appointed by the Commission, providing a balance between those with experience in business, higher education and research. They shall have a four-year non-renewable term of office. Whenever necessary, the Governing Board shall submit to the Commission a proposal for appointment of a new member(s). The candidate(s) shall be chosen based on the outcome of a transparent and open procedure, involving consultation with stakeholders.**

The Commission shall have regard to the balance between higher education, research, innovation and business experience as well as to gender and geographical balance and an appreciation of the higher education, research and innovation environments across the Union.

The Commission shall appoint the member(s) and inform the European Parliament and the Council about the selection process and the final appointment of those members of the Governing Board.

In the event that an appointed member is unable to complete his/her term of office, a substitute member shall be appointed by the same procedure as the incapacitated member in order to complete the latter's term of office. A substitute member, who has served for a period of less than two years, may be re-appointed by the Commission for a period of additional four years upon request of the Governing Board.

During a transitional period, the Board members initially appointed for a six year period shall complete their mandate. Until that time there shall be 18 appointed members. Within six months after entry into force of this regulation, one third of twelve members appointed in 2012 shall be chosen by the Governing Board with the Commission approval to serve for a two year period, one third for a four year period and one third for a six year period.

- 3. There shall be three representative members elected by the KICs from among their partner organizations. They shall have a two-year term of office, renewable once. Their term of office shall cease if they leave the KIC.**

The conditions and modalities for election and replacement of the representative members shall be adopted by the Governing Board on the basis of a proposal from the Director. This mechanism shall ensure an appropriate representation of the diversity and shall take into account the evolution of the KICs.

During a transitional period, the representative members initially elected for a three year period shall complete their mandate. Until that time there shall be four representative members.

Section 5

Staff of the EIT

- 1. The staff of the EIT shall consist of personnel employed directly by the EIT under fixed term contracts. The conditions of employment of other servants of the European Union shall apply to the Director and the Staff of the EIT.**
- 2. Experts may be seconded to the EIT for a limited duration by participating States or other employers. The Governing Board shall adopt provisions enabling seconded experts from participating States or other employers to work at the EIT and defining their rights and responsibilities.**
- 3. The EIT shall exercise, with regard to its staff, the powers which are devolved to the authority authorized to conclude the contracts with the staff members.**
- 4. A member of staff may be required to make good, in whole or in part, any damage suffered by the EIT as a result of serious misconduct on his/her part in the course of or in connection with the performance of his/her duties.**

Article 6

Preparation of establishment of the support structure

~~For a transitional period, the Commission shall provide the necessary support towards the establishment of the EIT structure. For that purpose, until such time as the first appointed members of the Governing Board are appointed, an official appointed by the Commission shall be the EIT legal representative and be responsible for staff, administrative and financial matters, including the implementation of the EIT budget. Thereafter, the Governing Board shall designate, according to a transparent procedure, a person who shall fulfil these functions or extend the mandate of the official appointed by the Commission, until such time as the Director takes up his/her duties following his/her appointment by the Governing Board, in accordance with Article 5. The Governing Board shall launch the procedure for choosing the Director of the EIT without delay.~~

Article 7

Staff of the EIT

- ~~1. The staff of the EIT shall consist of personnel employed directly by the EIT under fixed term contracts. The conditions of employment of other servants of the European Communities shall apply to the Director and the Staff of the EIT.~~
- ~~2. Experts may be seconded to the EIT for a limited duration by participating States or other employers.~~

~~The Governing Board shall adopt provisions enabling seconded experts from participating States or other employers to work at the EIT and defining their rights and responsibilities.~~

- ~~3. The EIT shall exercise, with regard to its staff, the powers which are devolved to the authority authorised to conclude the contracts with the staff members.~~

~~4.— A member of staff may be required to make good, in whole or in part, any damage suffered by the EIT as a result of serious misconduct on his/her part in the course of or in connection with the performance of his/her duties.~~

Article 8

Principles for the evaluation and monitoring of KICs

~~The EIT shall organise continuous monitoring and periodic independent evaluations of the outcomes and results of each KIC. These evaluations shall be based on good administrative practice and result-oriented parameters and avoid unnecessary formal and procedural aspects.~~

Article 9

Duration, continuation and termination of a KIC

- ~~1.— Subject to the outcomes of periodic evaluations and to the specificities of particular fields, a KIC shall normally have a time-frame of seven to 15 years.~~
- ~~2.— The Governing Board may decide to extend the operation of a KIC beyond the period initially set if this is the most appropriate way to achieve the objective of the EIT.~~
- ~~3.— In the event that evaluations of a KIC show inadequate results, the Governing Board shall take appropriate measures including reduction, modification or withdrawal of its financial support or termination of the agreement.~~

Article 10
Winding up of the EIT

~~In the event of winding up of the EIT, its liquidation shall intervene under the supervision of the Commission in conformity with the laws applicable. The agreements with the KICs and the act establishing the EIT Foundation shall lay down the appropriate provisions in such situation.~~
